Presidente :

The lower half of the page is filled with several handwritten signatures and initials in black ink. The most prominent signature is a large, cursive one that appears to read 'Solon Amaral'. To its right, there is another signature that looks like 'Suaux'. Below these, there are several other scribbles and initials, including one that resembles 'D. S.' and another that looks like '26'. The signatures are written over the printed text of the document.
