Presidente:

The block contains several handwritten signatures and scribbles. The most prominent is a large signature that appears to read 'Amaral' in cursive. To its left is a dense, dark scribble. Below the main signature is another large, sweeping signature. To the right of the main signature is a smaller, more stylized signature. At the bottom center, there is a circular scribble. To the right of this, there is a signature that looks like 'F. A. 2'. In the bottom right corner of the page, there is a small, simple mark that resembles the number '7'.
